Big Basin Vineyards

2012 Old Corral Syrah

The 2012 Syrah Old Corral is dark, sensual and voluptuous to the core, with striking aromatics, beautifully layered fruit and terrific overall balance. The inclusion of Grenache and Viognier gives the typically dark Alban powerblock Syrah clone flavors quite a bit of complexity. Cedar, tobacco, leather and savory herbs add nuance to the radiant dark red and blue-fleshed Syrah fruit. I expect this racy, forward Syrah will deliver considerable pleasure pretty much upon release. The 2012 includes 9% Grenache and a dollop of Viognier.
