

WINE ENTHUSIAST

 THE WORLD IN YOUR GLASS

91 pts

Big Basin Vineyards Boulder Creek, CA

2013 Rattlesnake Rock Syrah - Estate

Quite dark in the glass, this wine, which is made with 6% Viognier, shows the darkest of purple fruit scents on the nose, and needs quite a bit of time to start opening up, so tightly wound it is. The grippy, tangy and acid-driven texture is what compels the palate, where flavors of blackened blackberry, savory dried beef and char rise firm tannins deep into the finish.
