

BIG BASIN

VINEYARDS

Our approach to winegrowing is rooted in the earth and refined by hand. Great wines are grown, not made so we farm organically, harvest by hand, ferment with native yeast, avoid filtering and fining and use minimal sulfur. Ocean breezes, rocky soils, mountainous terrain establish the Santa Cruz and Gabilan Mountains as exceptional winegrowing terroir. Each vineyard we work with has a unique personality that inspires us to let them speak for themselves. Our steep windswept hillsides first planted over 100 years ago are now planted to Pinot Noir, Syrah, Grenache, and Roussanne. Founder and winemaker Bradley Brown has evolved the style at Big Basin to produce wines with more energy, intensity and dimension that speak clearly of their mountain origins.

2016 ALFARO FAMILY VINEYARD PINOT NOIR

SANTA CRUZ MOUNTAINS

VINEYARD

The Alfaro Family Vineyard was planted in the rolling hills of Corralitos about three miles from Monterey Bay. The sun which bathes this south-facing slope is moderated by the cooling air and fog from the Monterey Bay just a few miles away. This microclimate is ideal for producing Pinot which expresses transparency to site and impeccable balance at naturally low alcohol levels. Winegrower Richard Alfaro farms the vines meticulously by hand. Deficit irrigation and the nutrient poor sandy gravel loam soils result in naturally low yields of one to two tons an acre.

WINEMAKER NOTES

2016 was a beautiful vintage - good yields, a moderate growing season and decent weather through harvest - that allowed us to nail the pick dates perfectly and make wines with minimal intervention. We picked on September 5th. Well lignified stems allowed us to use 100% whole clusters. Nothing else was added to the wine until after the fermentation was complete when a small amount of SO₂ was used. We find that the use of whole clusters amplifies aromatic complexity and adds a layer of texture. The aromatics are lifted and expressive while the wine has an underlying structure that will gain body over the potentially long life of this wine.

Vine Age:

17 years

Elevation:

588 ft to 730 ft

Aspect/Slope:

SouthEast; 15%

Soil:

Sandy Gravel Loam

Clones:

Pinot Noir 114, 115, 667, 777

Fermentation:

Native primary & Malo-lactic

Alcohol:

13.3

Elevage:

18 months French Oak;
33% new

No filtration or fining

Cases Produced:

155

Retail Price:

\$60
