"The 2014 GSM Gabilan Mountain is one of the most potent wines in the range. Bold, punchy and forward, the 2014 exudes depth. Smoke, grilled herbs, gravel, chalk and cured meats add aromatic nuance to a core of intense dark fruit. Today, the 2014 is rich, vivid and impeccably balanced. The tannins could use a bit more time to soften, but this is an exciting wine in every way"
